

Modesto High School

Bulletin

Tuesday, November 23, 2021

GENERAL INFORMATION:

- Good morning Panthers! This is your 2021-2022 bulletin each Tues. & Fri.
- It's Chromebook update time. So, open up your Chromebooks, hold down that power button in the top right corner for 3 seconds or until your screen goes black. Then, wait 2 seconds and press that power button again to turn on your Chromebook. Now, it's time to check your email. In the MCS App Portal click on that Outlook app. Like every Tuesday, Mr. Peterson has sent you an email. This one is all about how to better cope with school stress. Check it out and if you have any questions, please email Mr. Peterson back. Expect another helpful email next week.
- The auditions for our Spring Production, a collection of one-act comedies called "All in the Timing" will be on Monday 12/6 after both 7th period and 8th period. Auditions will be in Rm 21 (the Blackbox). Students who are cast will get scripts before winter break, but rehearsals won't start until Jan.
- Attention students who took the ASVAB on October 14. The armed services representative will be on campus on December 3 to interpret your scores and discuss what those scores mean in terms of military service and employment opportunities. The interpretation will take place during both lunches in the AVID center—upstairs in the math and science building.
- You may come by the Career Center at any time to pick up your scores for the ASVAB assessment.
- Please come by SBO to pick up your Lifetouch Picture sample **OR** order!

SPORTS:

SENIORS:

- Class of 2022 Disneyland trip is happening, stop by SBO for permission slips.
- That's all for today, Panthers! Stay safe and wear your masks while indoors.
