

Good morning,

In order for your student to participate in this new Short Term Independent Study, a parent or guardian must sign a “Master Agreement for Site Independent Study.” The Master Agreement can be signed digitally, online, in the [PowerSchool Parent Portal](#) under Forms. If parents do not have a PowerSchool account, they can retrieve the Access Code and Password needed to create an account by using the [Parent Account Lookup](#) tool.

**Parents can watch this video for step-by-step instructions on how to sign the “Master Agreement for Site Independent Study”:** [English](#) / [Spanish](#)

Once signed, the Master Agreement will remain in place for the entire 2021-2022 school year. It is important to note, per the recent legislation, the Master Agreement applies **only** to students who are home due to COVID-related absences.

If you have any questions, please reach out to the Counseling office at 209-574-1787.

Thank you,

Mr. Medina  
Assistant Principal
