

Hello Panthers! My name is Marvin Greener and I am entering into my 30th year working with Modesto City Schools, this being my 13th year as a counselor and 11th year serving at Modesto High. I previously taught elementary school for 17 years and prior to that I worked in the airline industry for 9 years. I love interacting and working with the students, families and our staff to provide for the best possible high school experience for all involved.

I earned my Bachelor's Degree and Teaching Credential from CSU, Stanislaus. In addition, I possess a Language Development Specialist Certificate for working with Second Language Learners. I achieved my Master of Science in Educational Counseling with a Pupil Personnel Services Credential from the University of Laverne in Southern California. I pursued higher education so that I could work with young people and hopefully make a positive difference in their lives.

On a personal note, my wife Susan and I have been married since 1980 and we have two adult married children. All of us were born and raised in Modesto and attended local schools. During this crazy pandemic year, Susan and I have been blessed becoming grandparents for the 1<sup>st</sup> time with a grandson and a granddaughter. Both of my parents attended Modesto High School and my father graduated as a Panther in 1940. I am proud to be part of the "MoHi" family and look forward to working with you this year.
